TIGERS SPRING BIG  
SURPRISE ON JACKETS

Hampden-Sidney Defeats Randolph-Macon at Broad-Street  
Park by Score of 6 to 0—Bugg Drop-Kicks Oval  
Over Uprights Twice.

By HERBERT POLLARD.  
One cannot believe the advance  
scope on a football game these days.  
This fact was demonstrated yesterday  
afternoon at Broad Street Park to the  
entire satisfaction of a number of  
loyal rooters, who journeyed to Rich-  
mond yesterday from Farmville to see  
Hampden-Sidney look horns with the  
Randolph-Macon Yellow Jackets.  
Contrary to the prognostications of  
the local football writers and the  
expectations of the Ashlanders' sup-  
porters, the Farmville Presbyterians  
upset the old dogs by administering the  
Yellow Jackets a 6 to 0 defeat.  
Not a touchdown was gained by  
either aggression, but it was Bugg's  
trustee that caused gloom to hover  
over the Randolph-Macon camp.  
Four times this youngster was sent  
behind the line from right end to  
drop-kick, and on two occasions the  
efforts were crowned with success, the  
oval soaring between the uprights for  
three points each.  
Both Got Close.  
Both teams carried the ball within  
striking distance of the goal, but at  
critical times both lines held like  
stone walls. In the second quarter  
the eleven from Farmville marched  
the ball to Randolph-Macon's one-  
yard line, but the Methodists held  
them for downs. Again they got it as  
far as the five-yard line and again  
the pigskin was surrendered to the  
Randolph-Macon boys. On two or  
three occasions the Yellow Jackets  
carried the oval as far as the fifteen-  
yard line, but they were unable to  
advance the ball closer.  
The Randolph-Macon backfield men  
were tendered very few opportunities  
to display any of their speed, the ball  
being in the Presbyterians' possession  
the major portion of the time. The  
Methodists were unable to penetrate  
the Tiger line, and most of the runs

made by the Jackets were around the  
ends.  
While several men who participated  
in the contest contributed some spec-  
tacular work, there beamed into promi-  
nence one youngster whose play-  
ing stood out above all others. This  
particular star was Thurman, the lit-  
tle quarter back on the Hampden-  
Sidney eleven. He was in the mael-  
strom from start to finish, both on the de-  
fensive and offensive. Many times he  
was seen to dart around the ends for  
long gains—runs which made chills  
run over the Randolph-Macon sup-  
porters. It was he who advanced the  
ball to the one-yard line. Driver, who  
played last season with Randolph-Ma-  
con, and who is performing this year  
for the Presbyterians, is also due  
much praise. He also made a num-  
ber of beautiful runs, while his de-  
fensive work was spectacular. Bugg  
also played a brilliant game for  
Hampden-Sidney.  
For the Yellow Jackets Captain  
Sheffey and Robertson played nice  
games while the work of Christian on  
the end deserves special mention.

Richmond College Spiders  
Defeat William and Mary

Williamsburg, Va., Oct. 24.—In one  
of the fiercest games ever seen here  
Richmond College defeated William  
and Mary this afternoon and brought  
sorrow to the upholders of the Orange  
and Black. It was a hard game to  
lose, but the victors earned their vic-  
tory with a steady, consistent offense.  
The home team fought hard and were  
marching the ball down the field when  
the whistle ended the contest.  
In the first quarter Captain Ber-  
tachey booted over a beautiful drop-  
kick from the thirty-yard line, and  
things looked rosy for his team. Rich-  
mond College did not even threaten  
during the entire quarter. But the  
visitors did threaten several times  
in the second quarter, and after a se-  
ries of fierce line plunges Craig car-  
ried the oval over for a touchdown.  
An arrow kicked an easy goal, and the  
score, 7 to 0, remained so until the  
end of the game.  
A few minutes later Newton blocked  
a punt and carried the ball over

again, but his line was holding and  
it was brought back.  
The fourth quarter found both  
teams fighting desperately. Richmond  
College kept the ball until the last  
few minutes when it went over. Two  
forward passes by the locals worked  
and they were steadily advancing  
when the game ended.  
For Richmond College Ancarrow,  
Craig and Logan played well during  
most of the game, while Bertachey,  
Wyatt and Gale played stellar ball  
for the losers. The line-up and summary

Techs Trying to  
Strengthen Weak  
Places on Team

Blackburg, Va., Oct. 24.—The V. P.  
I. football team is hard at work in  
the endeavor to strengthen the vari-  
ous weaknesses revealed in the game  
against Wesleyan College. Coach Bo-  
cock has already made several radical  
changes in his lineup and the re-  
sults are beginning to show.  
Funkhouser, the scrappy little play-  
er from Harrisonburg, who showed  
up well against Hampden-Sidney Col-  
lege and also against the Wesleyan  
eleven, will remain at left half while  
Dixon, who played star ball last sea-  
son, and has been alternating with  
Funkhouser at left half, will be shifted  
to right half back. Hooks Moore,  
who has been playing this position,  
will be placed in one of the tackles.  
Hooks played a star game in the line  
for the Techs two years ago and there  
seems little doubt but that he will  
land a place.  
Whether it will be Benedict of Caffé  
whom he displaces is a matter for  
conjecture, but Caffé has been charg-  
ing somewhat high this year and con-  
sequently, his playing has not been  
quite equal to that of Benedict and  
the odds are in favor of the Hampden-  
Sidney star winning out. At center  
Savage, who has fallen back some in  
his playing, has already been replaced  
by Montague. The latter has shown  
himself to be very aggressive and full  
of fight and the V. P. I. coaches are  
beginning to recognize his true abil-  
ity.  
In addition to these changes Graves  
and Henderson have been put on the  
squad as they will both make a  
strong bid for one of the inside  
positions. They have been playing  
good ball on the scrum this year.  
Henderson at center and Graves, who  
was a star last year and is one of the  
best men on the squad, at tackle.  
In addition to the first squad

Georgia Techs  
Earns Victory  
Over Cadets

(Special to The Richmond Virginian.)  
Atlanta, Ga., October 24.—Coming  
from behind and scoring three touch-  
downs in the last quarter, Georgia  
Tech earned a 28 to 7 victory over  
the Virginia Military Institute eleven  
today in a hard-fought game.  
Sweeping end runs that were sup-  
ported by wonderful interference and  
splendid dodging ability by the man  
with the ball, rolled up the three  
touchdowns in ten minutes' playing  
time.  
V. M. I.'s lone touchdown came in  
the second quarter, and was the re-  
sult of a fumble by Captain Fielder,  
of Tech. Captain Bain, of V. M. I.,  
picking up the ball with a clear field  
and speeding seventy-five yards for  
a touchdown.  
Captain Fielder, Patten and Cus-  
hman, of Tech, made runs several  
times from twenty-five to sixty yards  
during the last two quarters. The de-  
fensive line of Tech, however, was  
of little account in the interference work  
of the visitors, and his wonderful kick  
was also a feature of the Tech's play.  
Captain Bain and Quarter Back Gray  
starred for the visitors.

SEVERAL MEN OUT OF THE U. OF P.  
LINE-UP BECAUSE OF BEING INJURED

PENNSYLVANIA FOOTBALL TEAM—PUSHING MACHINE—

Philadelphia, Oct. 24.—The injuries  
to Vic Ballou and "Doc" Irwin have  
seriously crippled the University of  
Pennsylvania's football team, but  
Coach Brooke is working hard to  
patch up the weak spots. Charlie  
Gotwals, formerly captain of the Cen-  
tral High School team, has been tried  
as quarter back, and he looks prom-  
ising. His speed is his leading asset.

Georgia Blanked  
In Fast Battle  
By Virginians

(Special to The Richmond Virginian.)  
Charlottesville, Va., Oct. 24.—Play-  
ing through a drizzling rain and on a  
muddy gridiron, Virginia defeated  
Georgia today, 28 to 0. The touch-  
downs were made by Captain Mayer,  
who also made the only goals from  
touchdowns. The Georgians, handi-  
capped by a green backfield, put up  
a fierce fight, especially in the second  
half, when a safety represented Vir-  
ginia's only score. Spectacular and  
runs were made by Gooch and Mayer  
for Virginia, and Paddock for Geo-  
gia. Once the Virginia quarterback  
raced fifty yards before he was run  
out of bounds. Three thousand wit-  
nesses the contest, including 500 girls

MARSHALLITES HAVE  
EASY TIME WINNING

Williamsburg, Va., Oct. 24.—John  
Marshall had an easy victory in their  
game with William and Mary Acad-  
emy here this morning. They pre-  
sented one of the fastest and best-  
trained prep eleven seen on the local  
field for many a year, and completely  
outclassed the home team, who never  
threatened to score. Not once did the  
Academy hold the visitors for downs,  
who advanced the ball with ease.  
The final score was 48 to 0, the vis-  
itors making seven touchdowns, four  
of them in the last half, and kicking  
goal from four. The trick plays of  
the visitors had the locals up in the  
air and they never failed to gain.  
The game was slow and listless, the  
only redeeming feature being the  
brilliant work of the John Marshall  
backfield. Long runs and perfect in-  
terference was their strength, and at  
open field running they were hard to  
stop. Players were repeatedly  
knocked out, owing principally to  
high tackling.  
For the home team Somers, Tucker  
and Baker played the best game,  
while the work of the entire visiting  
team was excellent.

HIGH SCHOOL PLAYER  
BREAKS LEG IN GAME

(Special to The Richmond Virginian.)  
Manassas, Va., Oct. 24.—Manassas  
High School football team today played  
their initial engagement here and won  
by the score of 66 to 0 against the Car-  
lisle Athletic Club, of Washington.  
The visiting eleven were mere schoolboys  
and were outwitted at least ten  
points to the player.  
Manassas' backfield performed bril-  
liantly, with individual starring by  
the two halfbacks, Round and Wil-  
liams, and by Prescott, left end, who  
on two occasions intercepted forward  
passes and ran twenty and sixty yards  
for touchdowns. The visitors played  
plunkily for their size and gave a fine  
display of tackling.  
In the last two quarters they braced  
up and played at times almost equal  
to Manassas. During the second period  
Rice, Manassas' quarter, had his right  
leg broken below the knee when in  
scrimmage. He was pinned beneath  
several players.

DANVILLE ELEVEN IS  
WINNER OVER CLUSTER

(Special to The Richmond Virginian.)  
Danville, Va., Oct. 24.—Danville  
School for Boys won from Cluster  
Springs Academy here this afternoon  
by the score of 18 to 6. The game  
was very fast and cleanly played.  
Both of Danville's touchdowns came  
today in a hard-fought game.  
Cluster's only score came by a long  
swinging end run by Robinson. Cap-  
tain Warren, of Danville, played well,  
as did Hubbard and Robinson, of  
Cluster. The teams met again at  
Cluster Springs November 7, when  
Cluster expects to even up matters.

YALE ELEVEN GIVEN  
INITIAL DRUBBING

New Haven, Conn., Oct. 24.—Thor-  
oughly outplayed at every stage of the  
game, Yale lost to Washington and  
Jefferson today 18 to 7. The Blue  
eleven showed neither the team play  
nor the individual ability displayed  
against Notre Dame a week ago, while  
the Washington and Jefferson men  
were through the Yale line almost at  
will and skirted the ends for long  
gains time after time. The touch-  
downs, the first to be made against  
Yale this season, one in the second  
period and one in the fourth, were  
billed by the visitors, while Yale's  
only score was made in the first  
period. Frequent fumbles which Yale  
might have turned to good advantage  
and their attack being concentrated

PENN STATE BATTLES  
HARVARD TEAM TO TIE

Cambridge, Mass., Oct. 24.—Har-  
vard was played to a standstill in the  
stadium this afternoon by Pennsylv-  
ania State, and was admittedly lucky  
in the last few minutes of play to  
even up the score, which was 19 to 18  
when the whistle blew for the end of  
the game. Pennsylvania State's backs  
had ripped the Harvard line by fast  
plays throughout the first three  
periods, and had scored a touchdown  
and a field goal. A goal from a  
touchdown made the score ten points  
against Harvard's single touchdown,  
from which an easy goal was missed.  
When the teams went into the final  
period and Pennsylvania State had  
demonstrated for the first ten minutes  
of play that it was able to hold Har-  
vard in check and then tied up the  
score points by a field goal. Crimson  
supporters had a vision of the first  
defeat being handed out to the Har-

BOATWRIGHT TO AGAIN  
HEAD VIRGINIA LEAGUE

Contrary to Predictions Organization Will Stand—Announ-  
ment is Made That Richmond Will Get Practically  
All Saturday Games.

(Special to The Richmond Virginian.)  
Norfolk, Va., Oct. 24.—President J.  
O. Boatwright, of Danville, after a  
deadlock that lasted for hours and in  
which thirteen ballots were taken, was  
tonight re-elected to head the Virginia  
League.  
The tie-up between Boatwright and  
Burrhoughs Corbett, of Norfolk, result-  
ed after the first ballot. Richmond,  
Petersburg and Newport News voted  
for the re-election of Boatwright, while  
Norfolk, Portsmouth and Suffolk voted  
for Corbett.  
The two candidates were discussed  
all of the afternoon. Recess for lunch  
was taken at 7 o'clock. After resum-  
ing deliberations the moguls got to-  
gether and ended the deadlock.  
As was an assured fact, the league  
voted for the transfer of the Roanoke  
franchise to Suffolk, it having been  
bought by a strong syndicate with am-  
ple backing. Reserve players go with  
the franchise. It was voted to operate  
a split season next year with two pen-  
nants, and the teams winning each half  
to meet in a championship series of  
seven games. It was also agreed that  
the schedule for the season be short-  
ened, the opening date being fixed for  
April 12. The second series will be  
begin July 1, and the season will close  
on Labor Day. Another agreement  
reached was to limit the number of  
players on each team who have played  
in faster company. This number was  
fixed at four, exclusive of managers.  
In this way it is hoped young players  
will be used and developed.  
It is understood that in executive  
sessions contributions were secured to  
adjust all of the league's debts and to  
put it on a firmer basis. With suf-  
ficient in the league, it is understood that  
the next schedule will give Richmond  
practically all Saturday games at home  
and that a team will be kept in Nor-  
folk or Portsmouth each week-end.  
What created the greatest surprise of  
the meeting to the local contingent was  
the announcement that Mr. Elliott, of  
Roanoke, who was elected vice-presi-  
dent of the league, would vote both the  
Norfolk and Roanoke franchises. This  
led to a later explanation by Mr. Wil-  
liams that while he owned 81 per cent  
of the Norfolk club, that Mr. Williams  
now in charge of the team, had agreed  
with the owners of the club to take over the  
ownership of the club for several years  
has done more than any other one thing  
to injure baseball in Norfolk.  
This announcement is taken with a  
"grain of salt" here, as Dr. McCrory  
first declared he owned "a club over-  
right and had sold it outright to Mr.  
Walker. Misstatements relative to the  
ownership of the club for several years  
has done more than any other one thing  
to injure baseball in Norfolk.

Bresnahan Will Be Manager  
For The Brooklyn Federals

New York, Oct. 24.—Roger Bresna-  
han will manage the Brooklyn Federal  
League Club next year. He was  
signed tonight to an iron-clad three-  
year contract, with the proviso that  
he was to be given absolute charge of  
the playing end of the game at Wash-  
ington Park. It was admitted that  
he not only secured a most excellent  
salary, but a cash bonus, believed to  
be \$10,000.  
Bresnahan was indirectly the cause  
of a great deal of today's delibera-  
tions. The Ward brothers, it is said,  
fought hard today to have the Kan-  
sas City franchise transferred to  
Brooklyn, where Bradley, who had charge  
of the Tip Tops last year, is very  
popular, and where he could have  
been transferred as manager without  
loss of dignity.  
Such a transfer is not beyond pos-  
sibility even yet, though Gilmore an-  
nounced at tonight's adjournment that  
to date the Federal League, was re-  
solved to stand pat on the pre-  
sent circuit. The league, however,  
voted extra-ordinarily early in an  
executive committee composed of  
Robert B. Ward, William E. Robert-  
son, of Buffalo, and James A. Gilmore.  
This trio will have charge of all con-  
templated circuit changes.  
The independent announced openly  
that they would try to secure every  
available player from the ranks of  
the majors. It was reported on the  
best of authority that Catcher Bill  
Fischer, of the Brooklyn Nationals,  
has been signed for Charles Weigh-  
man's Chicago club.  
An air of deep mystery cloaked  
every proceeding of the Federal  
councils. Gilmore, in a statement,  
said tonight:  
"It is true that the majority of club  
owners believe a transfer of the Kan-  
sas City franchise would be beneficial  
to the cause. Some transfer may de-  
velop. But under the league's con-  
stitution such action cannot be taken  
without the consent of the owners of  
City owners, who strenuously oppose  
an invasion of Philadelphia, on the  
west side, where the Quaker City is  
rapidly expanding.  
But that is a matter which must  
rest altogether with the future. We  
devoted much of the time to arrang-  
ing matters of finance. That problem  
has been solved to the utter satisfac-  
tion of every one. Federal League  
backers in every city furnished proof  
of their financial strength.  
The league is well equipped to  
carry on a successful campaign in  
1916. Since the close of the season  
we have secured fifteen men of worth  
and others will follow. Within the  
next thirty days we hope to have  
enough men from our opponents to  
make organized baseball take notice."  
Organized baseball men who watch-  
ed from afar the deliberations of the  
Federals were inclined to believe that  
Gilmore and his associates were  
chucking a large bluff. Indeed, such  
may be the case. But the Bresnahan  
episode does not indicate that the  
Federals are ready to back out of  
a visit to the Baltimore camp of  
Eddie Plank and Harry Davis, of the  
Athletics, furnished food for a wild  
rumor that these two players were  
on hand to dicker with the enemy. It  
developed, however, that the cap-  
tain of the Federals had an appoint-  
ment to prepare for a shooting trip.

Highland Park  
Wins Game From  
Fredericksburg

Fredericksburg, Va., Oct. 24.—The  
game of football between the teams of  
Fredericksburg High School and  
Highland Park had a very unfortu-  
nate ending, it being forfeited to  
Highland Park, 1 to 0. The game  
was called in the last quarter, and up  
to that time the play had been nip  
and tuck, Highland Park having made  
the only touchdown, but the home  
team was playing strong and fast  
against a heavier team, being within  
ten yards of goal when the game  
stopped.  
The trouble was caused by a pen-  
alty imposed on Fredericksburg by  
Referee Green, of Richmond, on a  
change of slugging against Solan,  
who claimed he was fouled. The re-  
feree stated publicly that he did not  
see the play, and the local boys would  
not accept the decision, though a ma-  
jority of the team and Prof. Birch-  
head, principal of the school, insisted  
that the game be continued. The  
captain, however, positively refused.  
The action of the local team did  
not meet with the approval of a large  
number of the spectators, although  
they felt that the Fredericksburg  
boys were not fairly dealt with by  
the referee. There is no complaint  
against the actions of the players of  
either team, as there was no undue  
roughness, but the locals protest  
against the decision of the referee.

Generals Beat  
Wake Forest By  
Large Majority

(Special to The Richmond Virginian.)  
Lexington, Va., October 24.—Wash-  
ington and Lee defeated Wake Forest  
this afternoon, 73 to 0. The game  
was hotly contested, but the visitors  
at no time endangered the Generals'  
goal line. Both teams were fre-  
quently penalized. The last quarter  
was littered by a fast fight between  
Miles, of Washington and Lee, and  
Blackman, of Wake Forest. Wash-  
ington and Lee sustained her record  
of not being scored on this season.

CORNELL DISPLAYS  
UNEXPECTED STRENGTH

New York, Oct. 24.—Cornell's foot-  
ball men showed unexpected strength  
today in their annual match with  
Brown at the Polo grounds, and  
humiliated the Browns to the tune of  
28 to 7. The main contributing cause  
to the victory of the Ithacans were  
their ability to keep their attack go-  
ing at a lively clip, while their de-  
fense stood up in stone wall fashion  
against all styles of assault. In the  
attacking, Barrett, the Cornellian  
quarterback, was a tower of strength,  
and on the defensive the two ends,  
Michigan and Shelton, were  
practically unbeatable.  
To poor management of the team  
the Providence boys' defeat, or at least  
their poor showing, can be attributed.  
The team seemed built primarily for  
speed and open play, but this style of  
game was not resorted to until the  
very last period and then it netted the  
only score that the Browns made  
throughout the game. Murphy, at  
quarterback, did some brilliant work  
in both attack and defense, but he  
generally is to be questioned for  
his trying to keep the team to straight  
football.  
In the first half the old style game  
was followed to almost entirely by

WRESTLING BOUTS AT  
ACADEMY OF MUSIC

Two interesting wrestling bouts will  
be staged next Friday night at the  
Academy of Music, the most impor-  
tant will be between Joe Turner  
and Louis Montana for the middle-  
weight title.  
Montana, who is known as a bone-  
breaker, is well-known here, and it is  
believed that Turner will have a hard  
fight to retain his laurels. The local  
crowd is said to be in the best of  
condition, and asserts that he is con-  
fident of beating the big Greek.  
The second match will be between  
John Smith and William Patten for  
the light weight title.  
A special meeting of the Commis-  
sion on Streets will be held tomorrow  
afternoon at 2 o'clock for the purpose  
of considering the petition of the  
approach to Mary Anne parties  
interested are invited to be present  
prior to the meeting.
